“Greenbelt Galaxy,” will be the title of this special evening of dance, featuring all of Samantha Fitschen’s dance classes age 6 to 17. Please review all of the information thoroughly. Signing up for the Recital should be considered carefully. Just like our dance classes, I recommend that caregivers use this fun and exciting event as a reward for good behavior.

Students must attend class regularly during the Winter and Spring sessions in order to be eligible to perform in the recital. **Recital participants will not be allowed to perform if they miss the dress rehearsal or are extremely late to the rehearsal or performance, even in the event of an emergency.** Dress Rehearsal is the one shot dancers have to adjust their choreography to the stage, learn proper on and off-stage behavior, and practice costume changes. Missing dress rehearsal jeopardizes their safety and the safety of others.

Dancers will also be expected to:

- demonstrate professional behavior and team spirit throughout the recital process.
- have their choreography memorized.
- treat their costumes, classmates, volunteers and Community Center staff with respect. be quiet backstage, be focused and enthusiastic onstage, and stay with their group at all times.

Please have a conversation with your student and remind them of these expectations. With a little preparation, a fantastic time will be had by all! – *Miss Samantha*

## **RECITAL VOLUNTEERS NEEDED!**

I need some very important behind-the-scenes help, which will be slightly different than last year:

### Class Buddies

One Buddy will be assigned to each class. The Buddy will lead their class from the dressing room to the stage, and lead them back to the dressing room. Must be available for the Dress Rehearsal and the Performance. Buddies will be able to watch their groups' performance from the wings, so parent volunteers should sign up for the group that their child is in.

### 2 Costume Managers

The Costume Managers assists me with organizing the costumes in the dressing rooms and does any costume mending that is needed. I will provide the CM's with a clipboard, needle and thread, glue and safety pins. Must be available for the Dress Rehearsal and pre-Performance time (but will be able to watch the show during).

### 1 Hall Monitor

The Hall Monitor will staff the sign in & out table, and will only allow female family members to enter the girls' dressing room hallway. Must be available before and after Dress Rehearsal and Performance time (but will be able to watch the show during).

Volunteers will get one free ticket to share with your family. I will contact you to confirm as the show draws closer. Thank you so much supporting the dance program!

*—Miss Samantha*
